

# NONPROFIT INTERIM EXECUTIVES ACADEMY

An Introduction to Strategic Transitional Leadership  
For Nonprofit Organizations, Associations and  
Congregations

## THE SACRAMENTO ACADEMY February 5-6, 2020

A Signature Leadership Continuity Program of  
The Third Sector Company, Inc in partnership with  
The Impact Foundry and offered in conjunction with Impact  
Foundry's WHAT IF Conference in Sacramento February 4

Since 2002, Third Sector Company has been a national pioneer in the study and advancement of strategic transitional leadership for nonprofits organizations. The Interim Executives Academy, the first of its kind in the United States and Canada, represents the culmination of sixteen years of supporting interim leaders and nonprofit organizations. Its content represents nearly two decades of experience developing, testing and refining interim management tools, service protocols, leadership models, training curricula and other support services aimed at shaping the interim engagement as a highly unique and sophisticated capacity-building opportunity for charitable organizations, professional and trade associations, labor unions and congregations.

The Interim Executives Academy offers a deep-dive immersion into strategic transitional leadership that spans two full days of lecture, case studies, cameo speakers, panelists, and group projects. At the conclusion of the Academy, aspiring or practicing interim chief executives, will be given a Certificate of Completion signifying participation in a comprehensive learning program and an affiliation with one of the largest networks of trained interim executives in the nation. Graduates of the Academy will also be awarded a "badge" signifying completion of the course for use in resumes and social media.
